**Find out how to put your case to the IPC
on the Ipswich rail chord application.**

Tuesday 23 August 2011

The Infrastructure Planning Commission (IPC) is the independent body that considers whether or not consent shall be granted to developers to proceed with major infrastructure projects.

An application has been received from Network Rail for development of the railway line 1km north of Ipswich Goods Yard.

If you are interested in or affected by this proposal you can register to put your case to the IPC by 1 September 2011.
